

WACCAMAW

MANAGEMENT

An Associa® Company

March 27, 2020

Dear Board Member:

During these unprecedented and unique times Waccamaw Management remains committed to bringing you the latest in communications and guidance from our public officials. On March 26, 2020 new ordinances and directions were issued by Horry County, the City of Myrtle Beach, as well as the City of North Myrtle Beach. In an effort to keep you informed of the ever quickening pace of communications, we have listed key bullet points below and have also attached a copy of those ordinances to this communication for your review.

- Horry County, the City of Myrtle Beach and the City of North Myrtle Beach have ordered a cessation of short term rentals in all accommodations, private and public, to include Airbnb's and VRBO rentals.
- The ordinances for Horry County and the City of Myrtle Beach include the closing of amusements such as water parks and areas that attract groups of people.
- Local governments continue to advise residents to practice safe social distancing and to follow other CDC and DHEC guidelines. In an attempt to comply with these guidelines, many communities have decided to close their amenities. If you have not already done so and out of an overabundance of caution, Waccamaw Management recommends that Boards consider this action.

Sincerely,

W. Press Courtney, CMCA, AMS®
President
